OPEN DAY

OCTOBER 15TH WAS A BUMPER DAY DOWN AT CLOVELLY AS WE WELCOMED THE COMMUNITY TO THE WORLD OF LIFESAVING. THANKS TO EVERYONE WHO MADE THE DAY A GREAT SUCCESS.

Nipper Life Member Craig Wheatley and Susie have just returned from their long European holiday and are right back into it. The apparel tent wouldn't be the same without them (below).

Nippers in the bay on their first day and whales breaching offshore – a perfect start to their season (above).

Carrie Smith, Marco Webb-Butler, Chris Thompson and Glen Clarke hold the fort in the recruitment tent.

The ever-popular Nippers BBQ returns for the season.

SURF BOAT ROWING

Stewart Wells, Director of Competition, is asking for EOIs from juniors who would like to learn the art of Surf Boat Rowing. The Club has an experienced rowing coach and trainer who is happy to help you learn this skill.

SQUAD IN TRAINING

Chris 'Topper' Thompson has a group of eleven new Bronzies in training.

And talking of the Thompsons - Grandad Patrick, Grandma Michelle and the rest of the Thompson clan are eagerly awaiting a new addition to their number with Sarah due to give birth in the next couple of weeks.....

ON PATROL

Patrol Captain Carrie Smith reports that on Sunday October 8th, Becky Watts, just thirty minutes into her very first patrol as a new bronze medallion holder, and Steve Ray, on his second with patrol 10, conducted a successful tube rescue whilst roving on the northern promenade. They aided a struggling swimmer to safety in choppy conditions and provided follow up first aid. Well done.

Any other patrol captains with stories to share? Please let Jenny McNamee know.

NIPPERS

The season has started with 472 Nippers registered, an increase of 100 in just 2 seasons. This year the Nipper Captains were elected by the U13s. Ashley Walker and Carter Hjorring were elected as captains and Sophia Laing and Zane White as vice captains.

Ashley, Sophia and Zane began their official ambassador duties straight away at the Sydney Branch Major Partnership Launch (picture left) participating in CPR and tube rescue demonstrations. Ashley became a media star when she was the spokesperson for all Sydney

Nippers. Ashley was great and eloquently explained all that is terrific about learning to become a lifesaver.

At this event, Sydney Airport importantly announced a new multi-year major sponsorship of Sydney Branch senior and junior activities with \$130,000 per annum for three years. Sydney Branch was very grateful for the participation of Clovelly SLSC at the launch.

Our larger numbers are manageable due to the great efforts of all the volunteers, including the Sunday patrols starting at 8.30am enabling Nippers to have 2 shifts – one assembling at 8.15am ready to hit the water at 8.30am and the second at 9am.
