SWIM CLUB END OF SEASON EVENT

The Swimming Club recently completed another successful Season with a Presentation at the north side BBQs. 24 kids were presented with their trophies highlighted by Emily Byrne winning the major award of Club Champion.

All the kids seemed to enjoy the friendly competition throughout the season, and all showed a marked improvement in their swimming in the various strokes.

We'll kick off again in mid-October with the actual starting date confirmed and publicized closer to the day. All kids aged five or older are more than welcome.

Another Fantastic Session for Clovelly Nippers

We had a great year that ended with a terrific presentation day including the awarding of the annual Bluey Awards for the future Clovelly lifesavers in each age group.

Clovelly Nippers has grown again this year with record numbers of children (496) on the beach. This contrasts with the State average of Nippers attendance declining by 7.5%.

86% completed the education requirements which included 42 Under 14's completing the SRC with 100% success rate! You have probably had the pleasure of patrolling with some of the newly graduated SRC's since December.

This year we also sent our largest teams to Branch and State with record results.

The Nippers AGM was held this month with nearly all volunteers agreeing to do the same next session (or more).

Thanks to all the volunteers who've together made another successful year of training the Clovelly lifesavers of the future.

NEW FORMAT FOR END OF SEASON PRESENTATION

This years End of Season Awards will be held on Sunday the 28th of April 2019 upstairs in the Tom Caddy room 2pm-8pm. The committee has taken a slightly different approach to the End of Season Awards and invites all members of the club to celebrate another successful season as we wrap up the final patrol for the year.

The Patrol Efficiency Awards (100%) and Education awards will be presented at 3:00.

The Major Club Awards will be presented at 5:30pm.

Like any good Sunday afternoon upstairs in the bar, there will be a free drink for all 2018/19 patrolling members and office bearers, as well as food throughout the afternoon. There will be a photo booth and slushie machine for the kids, and spot prizes!

After the awards have been presented the music will crank up as we all let our hair down after a big year.

Entry is free, so make sure you get down on the final Sunday to see the 2018/19 season out in style.
