

CLOVELLY SLSC

AUGUST 2018 NEWSLETTER

There is a sense of excitement around the club with the patrol season and nippers about to commence.

This season the Board will be taking a fresh look at what we are doing and how we are doing it. Our vision is to consolidate our past successes, build a positive culture of inclusion, relevance and flexibility, and grow our active membership base.

Congratulations to all board members, office bearers and committee members who have stepped up to assist with club operations. To promote greater communication and collaboration across the club we have included photos of board members and member protection officers in this newsletter and on our website - so all members can get to know their representatives.

Have a great season - see you on the beach!

Karon Lekeu, President

LIFESAVING & PATROL INFORMATION

Welcome back to the 2018/19 patrol season. My name is Brett McCormick and I am the new Director of Lifesaving at Clovelly SLSC. Assisting me in the role for the season 2018/19 season are:

Key Start of Season Information for All Patrolling Members: -

1. **Patrols Start Date** – Patrols commence on Saturday, **29th September 2018**. This is the beginning of school holidays and a long weekend. If you are going away and need a swap see point 4 below. **Patrol Team 9**, led by Kevin Davis, kicking off the patrolling season.
2. **Patrol Teams** – Patrol teams have been uploaded to the Clovelly SLSC website [Click Here](#).
3. **Patrol Roster** – The Patrol roster has been uploaded to the Clovelly SLSC website [Click Here](#). You can also view and download your roster via your [Members Area](#) account.
4. **Can't Make Your Patrol & Need a Swap?** – Requests for Swaps can be made via your Members Area account. Once you login to your account from the Patrols tab dropdown select Patrol Swap. If your swap does not get accepted (you will be notified 72 hours prior to the patrol if it hasn't) you need to let your Patrol Captain know.
5. **Who do I contact** – if you have any questions or concerns regarding patrol teams, rosters, using the swap function or how to access your Members Area account please email clovellylifesaving@gmail.com **no later than Sunday 9th September 2018**.

We have had to move some members to new teams to ensure each patrol has the necessary awards and to maintain 13 teams on the roster. We appreciate your cooperation and flexibility - and it's a great opportunity to meet new people in the club!

On behalf of Clovelly SLSC, I would like to thank you for your commitment to lifesaving at Clovelly beach. I'm sure we will have another successful and enjoyable summer season.

It was sad news for many Eskimos to hear that former Club President Edward (Ted) Hooper passed away 10 August 2018. On Sunday 12 August, Eskimos observed a minute silence, facing the ocean, to pay tribute to Ted. Ted Hooper was a life member of Clovelly Eskimos Winter Swimming club and former president. Under Ted's presidency he led the Club to its most recent Winter Swimming Association of Australia Premiership at the Australian Titles in September 1984. Ted was also an active and long term member of Clovelly Surf Lifesaving Club and an almost lifelong resident of Clovelly. He died aged 90 and is survived by his 3 children Ted (Jnr), Robert, and Christine.
